A key event for the rubber industry

¿What are they?

With over 32 years of experience, the Latin American Conference on Rubber Technology has established itself as the premier event in the rubber industry across Latin America.

Integrating

This year, we are excited to host the fourth edition of the Latin American Conference on Tire Recycling alongside the first edition of the Natural Rubber Conference

Networking and Opportunities

The event will provide a unique platform for attendees to connect with industry professionals, fostering collaboration and exploring new opportunities in the rubber sector.

JORNADAS CAUCHO
BOGOTÁ 2025

About Our Venues
Hyatt Place Bogotá and Ágora Bogotá

Hyatt Place Bogotá Convention Center:

This venue will host the Pre-Conferences on November 10-11, offering all the amenities necessary for top-level workshops and events.

Ágora Bogotá:

The primary location for the event from November 12-14, with a capacity of 4,000 attendees and multi-functional spaces.

Strategic location:

Both venues are centrally located in Bogotá, providing easy access and convenience. They are within walking distance of each other.

ÁGORA
BOGOTÁ
HYATT
PLACE

LEED Gold certification: Recognized for its commitment to environmental sustainability.

Versatile spaces: It features 5 levels and can accommodate over 4,000 people. Additionally, it offers 10,000 m² of exhibition space, making it ideal for Trade Shows and commercial displays.

Connectivity and accessibility: Just 10 minutes from El Dorado International Airport, with excellent public transportation connections.

Ágora Bogotá Convention Center

About JornadasCaucho 2025

Bogotá, the capital of Colombia, is a city that blends history and modernity in the Andean highlands. As a political, economic, and cultural hub, it offers museums, galleries, theaters, and diverse gastronomy. With its cool climate and welcoming inhabitants, Bogotá attracts visitors and serves as a key point for **events and business in Latin America.**

The conference is designed for professionals and academics in rubber technology. This includes: consultants, **business chambers, research and development entities, and management, commercial, and technical teams from companies** linked to raw material production, rubber product manufacturing, machinery, and related sectors.

Steps to become a Sponsor

1. Send a Request: Contact us at gerencia@sltcaucho.org and oscar.e.barrera8@gmail.com, indicating your desired sponsorship category and cost code.

2. Define Payment Method: Specify the method and form of payment for your sponsorship.

3. Receive Invoice: You will receive an invoice and bank details for the transfer.

4. Proceed to Payment: Make a payment of at least 50% of the total sponsorship cost.

5. Select Booth Location: Choose the location of your booth. After the advance payment is made, the organizing committee will provide an updated floor plan for selection.

6. Complete Payment: The full sponsorship payment must be made by July 31, 2025, to confirm your space.

Note: In the event that two or more companies make the 50% payment on the same day, priority will be assigned based on the time the transfer is credited.

Impact and Statistics

Results of the Lima 2023 Conferences:

Participation

Over 594 attendees and 90 international speakers.

Sponsorships

57 sponsors including leading companies in rubber technology sponsored our event in Lima, along with institutions and regional industry organizations.

Communications and Outreach

Signficant media impact on social networks and specializad publications.
